Sir:

In response to the Supplemental Notice of Allowability mailed November 14, 2005, Applicant submits the following.

The Examiner indicated in the Supplemental Notice of Allowability that no official explanation from the Applicant regarding a Notice of Informal patent Application mailed from the Patent and Trademark Office August 24, 2001 had been received. In that mailing, the Patent and Trademark Office stated that the oath of declaration does not identify the residence of each inventor and does not clearly identify which parts of the address refer to the city and which to the street address.

In response, Applicant submits an application data sheet (ADS) in accordance with 37 CFR 1.76(c) with information correctly indicating the residence address of each of the four inventors. Applicant requests the correction to the residence addresses of each of the four inventors be entered

in the records of the Patent and Trademark Office without withdrawing the application from allowance.

Should the Examiner have any questions, the Examiner is encouraged to telephone the undersigned.
